

LBAM Action Finances Needed

Things do not look good right now regarding the state's plans to control the LBAM. We are in need of additional funds to work to change the state's direction. We seldom ask for donations preferring to be self funding but this is a unique situation that is immediate.

All donations are deductible through our relationship with Health and Habitat, a 501 C 3 organization. We fundraise the old fashioned way by asking that you mail your checks to:

Pesticide Free Zone Campaign
